MGT-315—Critical Asset Risk Management Training

April 12-13, 2016 • 8am to 5pm each day

Finney County Law Enforcement Center • 304 N. 9th Street, Garden City, KS

This course teaches the critical components of risk management and provides participants the basic fundamentals of determining and mitigating risks associated with their critical infrastructure. Through a combination of lecture, facilitated discussion, and group activities, participants will learn how threats, vulnerabilities, and consequences determine risk, and are given an opportunity to practice the fundamentals of conducting vulnerability assessments by conducting on-site assessments of selected local facilities. Additionally, they will identify potential mitigation measures associated with their findings and work together to develop and present a risk assessment report.

Individuals completing this course, in combination with AWR-213, MGT-310, and MGT-414, are awarded the TEEX Infrastructure Protection Certificate.
